BICYCLE GAME IS PICKING UP

Work on New Track Will Begin Soon—Seven Eastern Riders Sign Up.

The announcement that the Wandamere people would run a marathon bicycle goad race the coming season was only part of the good news for the cycle fans the past week. This race will greatly add interest to the game this summer and will be an incentive for an additional number of youngsters and hard road riders to try the game. One of the best features of the race is that it will not break in on anybody's game and will greatly help both the Lagoon race and the track races.

Manager Heagren announces that work on the resurfacing of the saucer track will start witnin the next few days. He has secured T. O. Angell, the veteran track builder, to do the work, and Angell has promised to make it faster than any track he has ever built. Angell designed the present track and built the Ogden and Saltair' saucers and with his added experience he should be able to make the Salt Palace track a wonder.

It is proposed to take the "bumps" out of the present track and make the turns into the stretches more gradual. This will allow much higher speed in following a pace, which is one of the objects Heagren is striving for this year. He has a number of the best pace followers in America under his charge for the coming season and believes with the new track and fast men additional interest can be awakened in the pace following same.

can be awakened in the pace following game.

A letter was received in the city yesterday from Walter Bardgett, who said he has signed seven of the best men in the east to come to Salt Lake this year.

Manager Heagren refused to give out their names and says he will not do so until they arrive at the depot in Salt Lake. His reason is that all of his plans are being tipped off to rival promoters and he deems it wise to not say about who has been signed until the men are here.

here.
The announcement was also made during the week that Iver Redman would be seen on the track again this year. Red-man has been "flirting" with the man-agement of the new Los Angeles track as a possible track manager, but after think-ing the matter over says he will remain in "dear old Salt Lake."

Fred McCarthy, the Canadian champion who is now here, received his racing wheel yesterday and is anxious to begin training at once. Those who have seen him in action say he is a wonder and will be heard from this year

BOTH TEAMS CLAIM GAME Official Says B. Y. C. Wins and Referee Says Y. M. C. A. Are Victors.

(Special to The Herald.) Logan, March 20.-The final basketball game of the season was played here this **NEW LEAGUE WANTS LUMLEY** evening between the B. Y. U. and Y. M. C. A., and it resulted in a victory for the home team by the narrow margin of one point, the final score being 40 to 39. That Local Catcher Receives an Offer to is the official score. There was a good deal of wrangling over the score, but the official score book contained the above figures. As a matter of fact the correct score was 39 to 38 in favor of the B. Y. C., the first half ending 23 to 16 in favor of the Y. M. C. A. and the last half 23 to 15 in favor of the B. Y. C.

The game was a fast one throughout and almost as rough as football. The work of Referee Pinckney was not at all to the likings of the crowd. The like up: Frank Lumley, the well known local catcher, received an offer from M. E. Barry of Dillon, one of the promoters of the Intermountain league, to play for Salt Lake the coming season. Lumley caught for the Salt Lake team last year, and did good work. His hitting at the end of the season was one of the features of his work. Lumley sald last evening that he had the offer under consideration and

He has a fine position in the city at the present time and can make considerable money on the side playing baseball Saturday and Sunday and therefore deems it advisable to wait a little time before signing. Lumley is popular with the local baseball fans and classes well up with any of the men who, it is announced, has been signed so far for the Intermountain league. The game between the girls was unnecessarily rough, and resulted in several bad falls for the girls, of which Miss Edna Hull's was the most serious. The result of the game was a great surprise as High school was beaten the first half at girls' rules; the score standing 4 to 7. However, in the second half they showed up strong and beat Henager's at their own game. The second half was much faster than the first and as most of the girls were not in training, it was very hard for them to keep up. Football in the Rocky mountain region is taken to task in an editorial in Collier's Weekly, which came out last week.

the season soon to come the Colorado Agricultural college seems to have ambition, and Captain Ray Charles, assuming to represent his team, has recently toured neighboring states in search of likely material. In one city he was recognized as a former football star, who, under the name of Charles Ray Parkinson, was dismissed from the Utah Agricultural college for scholarship deficiency.

"To prospective teammates he has explained that all this tommyrot about the bad morals of hiring players don't go with him; that Denver closed the season a victor and possessor of a full purse, and that for next season he proposes to duplicate at Fort Collins what was done in Denver. Denver.
What does the president of the Colorado Agricultural college think of Charles Ray Parkinson, alias Ray Charles, and to what extent does he share his plans?"

AGGIES DISOWN CHARLES.

Neither Student Nor Captain Now, Says Coach Rothgeb.

Fort Collins, Colo., March 20.—"If Ray Charles, alias Charles 'Ray Parkinson, is scouring the country for professional material for the Colorado Agricultural college football team, as alleged by Collier's Weekly, he is doing so without authority from the institution." This is the statement of Coach C. J. Rothgeb when told the substance of the Rothgeb when told the substance of the charge made by the magazine. Charles is not now a student of Colorado Agricultural college, although elected captain of the footbail team last fall at the close of the season, when it was thought he would serve during the fall of 1909. It was after his election that it became known that he was Charles Ray Parkinson. Coach Rothgeb says that he is the only non-eligible who ever has secured a position on the Aggie team, and should he return next fall he would not be allowed to play, much less to assume the captaincy of the team.

The article in Collier's is ascribed here to an inspired source in some other western institution which here to an inspired source in some other western institution which has a spite against the Aggies. It is not bepieved probable that Charles is attempting to recruit men for the team, as he knows the situation here, and is aware that he cannot come back and play.

HANDBALL DRAWINGS.

The contest was one-sided from start to finish, and rather featureless in respect to individual plays. The Pennsylvanians, who previously had displayed good form, seemed to go to pieces. They could not hit the ball, and their poor team work was in sharp contrast with that in the other games in which they The Y. M. C. A. annual handball tour nament will start tomorrow. ALFRED SHRUBB

DEFEATS INDIAN Toronto, Ontario, March 20.—Alfred Shrubb tonight decisively defeated Fred Simpson, the Ofibway Indian, in a 12mile race, finishing over half a mile in the lead. The Indian did not begin to show fight until his opponent had gained a lap, about half way through the second a lap, about half way through the second mile. Simpson then sprinted and trailed Shurbb for a mile. It soon became apparent, however, that he had not the speed to hold Shurbb when the latter was ready to increase his pace. The Englishman reserved all sorts of speed for the final ten laps, during which he added a tenth of that distance to his lead, breasting the tape six laps to the good. The track was ten laps to the mile. Shurbb's time was 66 minutes 35 seconds.

Denver, Colo., March 20.-The Rocky Mountain News says: "Whatever hopes some people may have had that horse racing and bookmaking would be legalized in Colorado have been blasted by Governor Shafroth. The governor has emphatically stated to several persons who have sounded him on the subject, that no matter what bill legalizing race track gambling is passed, it will

be vetoed.

"So plain did the governor make himself on this point that a bill introduced in the house will never come out of committee."

The bill in question permits racing and betting at any fair or association exhibiting stocks and products.
